

## Credit Card Payments are almost Here!

In the month of November 2018, look out for an email from **Rakefet Online**. You will receive an invitation with “**First Time Password**” and instructions to help you with the process (If the email is not in your Inbox, please check the spam folder.) You will need to go through these steps in order to make any financial transactions. For example, paying for events, classes, MCC or for making a general donation (which is always appreciated.)

Here is my version of the instructions in more detail:

(DO NOT START THIS PROCESS IF YOU HAVE NOT YET RECEIVED THE INVITATION EMAIL FROM RAKEFET)

1. Go to <http://www.rakefetonline.com/>
2. Click on Sign In (Top right corner)
3. Select **U.S.** Server (If you live outside of the U.S., select the appropriate region)
4. Click on “**First Time Login**”
5. Enter you Email Address and your Temporary Password

After you log in, you can create your own password.

Please be patient as this invitation process has to be done manually for each member of our congregation. Thank you!

Philipp (Office)
