

WELCOME THE STRANGER SHABBAT

Friday April 12th 6:30 pm

Alice Thomson, Beth Hillel Temple member, will share from the bima, reflections of her recent trip to Guatemala as a healthcare volunteer. She will give us insight into why people are fleeing that country for the US border.

After Shabbat Services, people will have the opportunity to view a very moving video about the Drivers License Campaign that was created by Racine teens. The Social Action Committee will provide information, sample letters to legislators and more.
